Covid...

Please be aware we are still following government guidelines with regards to covid and keeping our distance and wearing face masks, and I would ask you to be patient while we sign children in and out of the building. Many thanks

Sun cream and ice packs...

As the weather is hopefully changing for the better, can I please ask that you apply sun lotion before dropping your child into nursery, and for those children that stay all day, could you please supply a bottle of sun lotion with your child's name on it so that we can reapply during the day. Please note that sun lotion only has a one-year life span, and therefore you would need a bottle of sun lotion in date. Could you also supply a sun hat with your child's name on? Weather permitting, we will be starting some sessions outside and therefore they may need a jacket to start off with as it can be cooler in the mornings.

Could I also ask that you put a cool block in your child's lunch box if they are having a cold packed lunch.

Security...

They church have placed plastic fencing at the rear of the car park for the safety of our children. We ask that you do not move it and leave it open as this allows people to use the rear of the church like a public footpath. We want to avoid unnecessary public access the rear of the church for security reasons.

School choices...

Most of you will have heard about school places for your children attending reception this September. Please could you let us know the school you will be accepting so we can help your child with transitioning.

Summer Club ...

Spaces are still available, but only on selected dates. Please fill free to contact Jamie for availability.
