Training update..

Here at Alban we endeavour to be the best we can, as a result we are continually updating a staffs training. We have recently had staff members undertake new SENCO training, supporting positive behaviour in young children & purposeful physical play and outdoor learning. We have recently signed up for a course called Emotional wellbeing and mental health in children, all of the member of staff will be attending this course. Which will take place in the Easter half term.

Staff update....

We very pleased to announce that Tracey has come back to Alban, initially part time leading to full time in April 2020. Having more members of staff here will free up some place for the staff to rotate into the different rooms. This we believe will make for an smoother transition for those children moving age groups.

Slippers/crocs....

Some children have been asking to bring in slippers/crocs into the nursery, we are happy the children to do so. However, please could we ask you to put your child's name inside them and please keep the children's outside shoes in the bag provided, on their coat peg.

Pen recycling..

As part of our recycling initiative and linked with 'Bic' we will have a box to recycle old pens, felt pens and biro's. Please feel free to drop your old pens into the box.

School update....

It is almost time to find out about which schools your children will be offered. Could you please let us know what school your child will be moving onto. This will help us to forward your child's transition report, it will also help us put children together in play activities that are going to the same schools.

Nearer the time we may suggest play visits to help each other.

Donations.....

We would like to ask for a little help in the way of donations, at this time of year we have a lot of colds and we get through a lot of tissues. If you are able to donate us a box or two that will be really helpful and much appreciated.

Lunchtime.....

Please can we remind you that we promote healthy packed lunches, I have noticed that chocolate is creeping back into the children's lunches. Could we please ask that avoid putting chocolate and sweets into the packed lunches. This causes a lot of distress to the other children when they do not have sweets. Thank you for your support on this.

Please may we remind you that half term is Monday 17th Feb until Friday 21st Feb
