

## Last week...

During our last week we will be having lots of fun and games, your children's work will be collected together along with their diaries to go home for you to keep. We will not be sending the book bags home after this week. Please do check and see if you have any of our books or book bags at home and please return them.

## Nursery update...

During the summer holidays the big yellow room will be decorated, rewired and new heating fitted. We are looking forward to this. Trina and Sarah will be moving into the yellow room. Dawn and Lily will be moving to the blue room, a much smaller room which will have our 2-year-olds in. Jamie's room will have the carpet removed and have new laminate flooring laid. This will mean that by September all of our classrooms will have been decorated, rewired and new heating. For those whose children are coming for summer club, the children will be using the large hall and lounge downstairs if the weather is not too good, otherwise they will be outside.

## Spare clothes/lost property.....

We have collected a number of items with no names on. I will put the lost property box at the front door for you to have a look through.

## Party day....

Friday 22<sup>nd</sup> July we will be holding our end of term party, where we will sadly be saying goodbye to some of our wonderful children and families. ALL children are invited to be dropped off at 9am Unless booked in for breakfast club. We will be providing all the party food and your child will not need to bring anything in. A list of food will be provided for parents to see what their child has consumed. The children will be taken outside to the garden around 12 o'clock where you are all welcome to join us in our farewells and pictures. Just a reminder that there is NO afternoon nursery that day and we will finish at 1pm.

## Summer camp....

Emails have been sent out confirming your chosen dates, if you haven't received an email please speak to Jamie. There are only a few available days left, speak to a member of staff for a form.

## Tapestry...

Your child's Tapestry learning journal will be available for those leaving us to download at home for you to keep. Jamie will send you a link to follow. Some schools ask that your child's Tapestry account get transferred to them, so they can continue the learning journal into school. I will need your permission to be able to transfer to the relevant schools, so please forward me an email if you are happy for us to transport the file over to your child's new school. The schools will have to notify us if they want us to transport the files over. I have already heard from Foulds and Christchurch schools about transferring the Tapestry account.

## **TERM DATES** **SPRING TERM DATES**
