

July 2023 Newsletter

End of term party...

Sadly the end of term is fast approaching, this is a sad time where we say farewell to our big boys and girls who are moving onto school or new nurseries.

Please note ALL children are invited in to our end of term party on Friday 21st July. The morning will be drop off at 9am for those not doing breakfast club. Pick up is at 1pm. Weather permitting we would like to invite all parents to join us in the garden from 12.30.

The nursery will be providing party food (unless you have been spoken to separately), therefore you do not need to provide lunch or food. A list will go up on the door so you can see what we are offering.

Children are invited to dress up for dancing and party games.

TERM DATES

SUMMER TERM 2023

End of term party 21st
July 1pm finish (all
children invited)

AUTUM TERM

Monday 4th September
2023 until
20th October 2023

HALF TERM

Monday 23rd October
until Friday 27th October

SECOND HALF

Monday 30th October
2023 until
14th December 2023

Please note no
afternoon on the 14th
December (party day)

Tapestry....

With your permission Jamie will set up a download for your child's Tapestry learning journal. Please speak to Jamie if you have any further questions on this.

I am waiting for a Transfer link from your child's new school to also transfer this to them.

Your child's Tapestry journal will be available until the end of August to download, after this your child's account will be closed and you will no longer be able to download.

Book bags.....

Could I please ask that you return all book bags and any outstanding nursery books that you may have at home.

Speech therapist workshop.....

Just to remind you all that we are holding a parents workshop tomorrow here at the nursery. I have a speech and language therapist coming in from the NHS to give guidance on how you can support your child's speech and communication. You are all welcome, this starts at 10am and lasts for an hour.

Funding....

Please note if your child turns 3 before the 31st August you will automatically be entitled to the 15 hour funding, you do not need to do anything to receive this. This is done via the nursery. If you are entitled to the 30 hour funding you will need to apply for this and they will give you a funding code that you will need to pass onto the nursery. Please click the link for the funding

[Funding](#)

For those children returning for a few weeks in September, you will still be able to access funding, however this is only the 15 hours and not the 30 hours.
